TODD DROSKY:

Your Priorities are His Priorities

For the past 8 years as our City Commissioner and Vice Mayor, Todd focused on key quality-of-life issues including public safety, stormwater improvements to prevent flooding, water & sewer infrastructure and sustainability projects, as well as beach renourishment and renovations to our pier. **Always accessible and listening to residents, Todd held Saturday office hours and led numerous visioning sessions to meet and speak directly with concerned citizens.** Todd Drosky has a proven record of fighting for issues that matter to residents. **As Mayor, we can count on him to...**

- **Promote Revitalization.** Todd supports smart growth and sustainable economic development. Both are essential to the financial health of our City. But that growth must be consistent with the character of Deerfield Beach. **Todd will strongly oppose any massive development or densities that threaten to turn Deerfield Beach into another Fort Lauderdale or Boca Raton.**
- **Maintain fiscal responsibility.** The City's property tax rate never increased during Todd's 8 years on the Commission. Today the City has its highest bond rating (AA+) ever and we are in the best financial shape in the City's history. **Todd will keep a tight rein on expenses and ensure our tax dollars are spent wisely.**
- **Focus on Public Safety.** The top priority of government is the safety of its citizens. **Todd is proud to have the support and endorsement from the organizations representing Deerfield Beach's professional firefighters, paramedics, and police officers.**

Deerfield Beach needs a Mayor who is an experienced leader — a leader who listens to us and makes sure our tax dollars are spent wisely and fairly.

On March 11th, elect someone with a clear vision for our future and a proven record of accomplishments...
